

## Walk 4

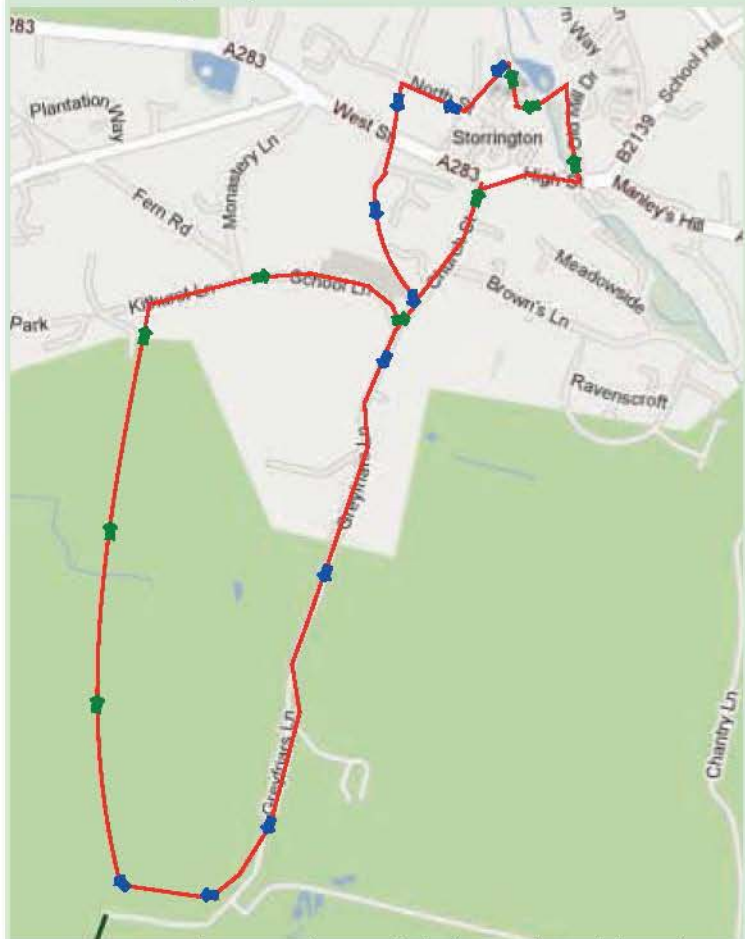

### Storrington History Walk

Time: Short walk 0.30 minutes

Long walk 1.10 minutes

The history part of this walk is relatively short (about 30 minutes) but is very interesting. It is easy going, so could make a pleasant late morning stroll before lunching in one of the local restaurants. After lunch one could pick up the remainder of the walk via Greyfriars Lane to open farmland and fields leading up to the edge of the Downs and then across fields and farmland, with some lovely views, back down to Storrington, returning to the Library car park via Old Mill Drive.

Based on Google Maps but please note: not to scale

Walk 1

These walks are brought to you by Storrington and Sullington Community Partnership. Get the full directions for any of these circular walks, guiding you along footpaths starting at the centre of Storrington, from the village website at:

[http://www.storrington.org.uk/Sports\\_leisure\\_and\\_fitness.phtml](http://www.storrington.org.uk/Sports_leisure_and_fitness.phtml)

If you do not have access to a computer to print these walks, you can get a copy from the Help Desk at Storrington Library where staff will be happy to print you a copy for a small fee.

Why not get to know your local area?  
In this leaflet we provide information and outline maps of four delightful, circular walks around Storrington and Sullington.

Walk 2

# Walk 1

## North Storrington Walk

Distance: 2.7 miles (4.3 km) or

Longer Walk 6 miles (9.6 km)

Time: Short Walk Approx. 1 hour 20 minutes

Starting with a pleasant stroll along the River Stor, passing a small waterfall and quaint bridges, the route then passes beside a small area of housing before continuing through woodlands and into fields along which may be seen seasonal flowers and hedges in bloom. The route splits and you can choose to take the longer walk across the Golf Course and through the Lanes of W. Chittington or continue the short walk through open farmland and past a number of small holdings before re-entering woodland on your way back to the Library car park

# Walk 2

## Sullington Hill and Downsland Walk

Distance: 6-7 miles (11 km)

Time: Approximately 3 hours

A long but very pleasant walk starting in The Warren, weaving through the town for a little way and then out of town going west through fields and farmland and up into the Downs. There are some lovely views to the sea and the surrounding area from the top of the Downs, and as you walk back down you pass lovely wild flowers in season on the banks, lots of bird song and maybe a kite or two (avian that is). Finally a walk through Sandgate Park woods and back to Water Lane.

# Walk 3

## Short Downsland Walk

Distance: 3 miles (4.5 km)

Time: 1 hour 45 minutes

A delightful walk that takes you west of the village, through farmland with animals, crossing Chantry Lane and up into the Downs passing round Waterfall Cottage. Some lovely views to take in; you will pass Sullington Manor Farm and the lovely old flint Church of St Mary's; the old Rectory and return down a small hill and across farmland, fields and through a small wood, crossing Chantry Lane, round the back of Meadowside and return to the village.
