We hope to include as many groups as possible, but space in the leisure center studio is limited to 24 – 28 pitches. Priority will be given to early applicants.

Please reply before 31st August 2026 to sonshow@storrington.org

Unsure of your final availability or waiting on a committee meeting? A provisional 'yes' is great for now. Please let us know if you are keen so we can note your interest while space is available.

To accommodate volunteer availability and make the most of the available space, joint pitch applications are warmly welcomed.

The event will be promoted through:

- Local press
- Flyers and posters
- Banners
- The Storrington Village website
- Social media campaigns

Publicity is key to encouraging people to come along and meet the groups taking part. We all have a role to play in promoting the event, so we are keen for participating groups to send us stories, photographs and other good news that we can use in promotional articles and social media in the build up to the event.

Unable to Take a Pitch?

You can still be involved.

An “**Other Volunteering Opportunities**” display area will be available for posters and leaflets from groups unable to attend in person. Please get in touch via the ***Enquiry Button*** to arrange delivery of materials.
